KITTY KORNER MEWS

"Kitty Korner Mewsletter and Feline Headlines"

Issue
#2

By Alexis Dexter

Welcome to the Kitty Korner Mewsletter!!

Kitty Korner Café is Vermont's first cat café. We are a 501(3)(c) rescue that relies on donations and the support of our community. Our mission is to give every cat a chance at finding a forever home. Since we opened in August of 2020, we have had 980+ successful adoptions. Along with rescuing local strays and surrenders, we also accept cats from out-of-state high-kill shelters.

To achieve this goal, it takes a hard-working and devoted staff, along with food, supplies, and crucial veterinary care.

Our hope with this "Mewsletter" is to keep you informed of our successes, our events, and how you can help us with our mission.

**Thank you for your support...
it always means so much to us.**

CAT OF THE MONTH

My name is Midnight. I am 11 years old, but don't let my age fool you... I have lots of love to give and plenty of spunk! I love attention if it is on my own terms and would prefer to be the only pet in the house.

I like to play and chasing string is my favorite pastime, so be sure you're ready for plenty of playtime to keep me busy! I've been in homes before and would love to finally find my forever home so I can retire and live my life in luxury.

So, if you have a spot for a little old man like me, and a sunny windowsill that I can bask in, I would be forever grateful!

THE SURRENDERED SEVEN

These seven beautiful cats were surrendered to us by animal control. Found abandoned in crates on the side of the road, their case is currently under investigation.

Sadly, these loving and very sweet cats came to us covered in fleas, wounds and in need of critical veterinary care. Now on the road to recovery, they are ready for their vaccinations along with spays & neuters. Your donations to help with these much-needed procedures would be greatly appreciated!!

To donate, please go to www.kittykornercafe.com/donate.

KITTY KORNER CAFÉ EMPLOYEE OF THE MONTH

What do we say about Amy?
The list is so long... and it's all good!!

Amy commutes in from Cabot where she lives with her husband, one of her two sons, and her beloved pets, Creasie the cat and her pup, Freddi, just to be with us and the kitties. Not only is she our Assistant Manager, but she also helps to care for our cats.

She is a hard worker with a very big heart. We love seeing her smiling face walk in the door!!

Amy's free spirit makes us all giggle at least 20 times a day!

And... did we mention that she is one heck of a baker and a mighty fine cook?!!

Come in and say "Hello" to Amy!!

Thank you, Amy, from all the staff and cats of Kitty Korner Café!!
