

# Kitty Korner Café Adoption Application

To help ensure that we place our cats in loving, responsible, committed homes, we have a screening process before you can adopt a pet from Kitty Korner Café that includes an application, potential home check (if applicable), small adoption fee, and adoption papers. We reserve the right to turn down any or all potential adopters as we deem necessary.

Animals are for life. When you adopt an animal, it is a commitment you make to the animal, for the lifetime of the animal. By adopting a cat from Kitty Korner Café, you are making a commitment to provide love, care, and medical treatment for the life of the animal, which can be up to 20 years. Adopting a cat is a serious commitment but one that is incredibly rewarding.

Please note that we require all potential adopters to have spent at least one visit in the lounge with the cat they wish to adopt. Should your adoption be approved, we will happily subtract your first \$5 visit from your adoption fee total.

If approved, we will call you via the number provided. We will attempt to reach you by calling a maximum of 3 times, after which, should we not receive a response, we will move on to the next person in line to adopt the cat in question. Please ensure the number you give us is setup with voice mail, if possible, should you miss our call, and we need to leave a message.
